Amendments to the Specification

Please replace the paragraph beginning on page 25, line 4, with the following amended paragraph:

resolution input 4002b, and/or display size input 4002c for the display device.

Process 4000 begins with step 4002. In step 4002 of the present embodiment,

display characteristics of a display device are received. Step 4002 is implemented, in one embodiment, by the video device 200 shown in Figure 2A. Inputs on the display characteristics of a display device can be received either on user input lead 213 or display characteristic input 216. Display inputs can include aspect ratio input 4002a,

Following step 4002, process 4000 proceeds to step 4004.
